

3r WHEELIE BIN COMPACTOR

ENVIRONMENTAL
TECHNOLOGY

This 1.1kW small footprint compactor is ideal for areas where space is limited. The machine generates up to 3 tonnes of pressure and has a compaction ratio of up to 4:1. This machine is suitable for 660-1100 litre bins containing either a mixed general waste, cardboard or plastic. The machine features an exchangeable support plate which prevents damage to the bins or wheels. It is fully CE compliant and features an integrated bin guard for safe operation.

Motor	1.1kW
Electrical	240V / 50 Hz
Max. Pressing Force	3t
Total (H x W x D)	2390 x 1500 x 1760mm
Total Weight	280kg

Key features/benefits

- ✓ Exchangeable support plate prevents damage to bins or wheels
- ✓ Suitable for a variety of materials
